Dear Brothers and Sisters in Islam,

Assalam o Alaikum wa Rahmatullahi Wa Barakatahu.

We would like to share following important news with the Kanata Muslim community:

## **KMA has been Strengthened**

As you all aware, Alhamdulillah, we have a very vibrant and talented community in Kanata which is growing at a significant rate.

Keeping this in mind and in an effort to expand our services to the community, the respective committees of KMA and ISOK held a meeting couple of weeks ago and have decided to merge their resources together **to form a stronger KMA** as to better serve our growing needs in a unified manner.

We will be updating you further of the developments and the programs to come in the near future Insha'Allah!
